GENERAL INSTRUCTIONS & INFORMATION

All courses offered at the Law College during the summer sessions, except Externship, Civil Clinic and Research in a Selected Field, are 3 credit hour courses. Externship may be taken for 1-3 credit hours. Civil Clinic may be taken for 4 or 6 credit hours. Research in a Selected Field may be taken for 1-3 credit hours. Under the rules and regulations of the College of Law, you may not take more than 6 hours during the first five week session, 6 hours during the second five week session and 3 hours during the pre-session. Summer courses are very intensive; the same amount of material that would be covered in 14 weeks during either the fall or spring semesters will be covered in 5 weeks, or, in the case of the pre-session, 3 weeks.

No courses taught at the College of Law may be taken pass/fail except Externship.

Graduation Requirements

In order to graduate, a student must satisfactorily complete 93 semester hours. It is possible for a student to graduate in 2 ½ years by attending summer school after his or her first or second year of law school or both. A student **cannot** graduate any earlier than 2 ½ years after starting law school at the College of Law.

Students who graduate early are responsible for six semesters of the Law College Fee. The sixth semester fee will be billed to you in your last semester at the Law College.

Transfer students must complete at least 45 graded hours at the College of Law to be eligible for degrees with honors.

All students are expected to attend the Law College full-time. **All students must attend at least five academic year semesters and take at least 12 hours each semester.** You must have permission to take fewer than 12 hours, or more than 15 hours or 5 courses, in a semester. Permission cards are available from Vicki Lill and must be signed by Associate Dean Pierce before you register. In order to take more than 15 hours or 5 courses in a semester, you must not be on academic probation and you must have a cumulative grade point average of at least 5.0.

All students are required to attend classes regularly and to prepare all assigned work thoroughly. Inadequate class attendance or preparation may result in the student being dropped from the course or may adversely affect the final grade the student receives in the course.

Under ABA rules, students may not work more than 20 hours per week.

Although you are free for the most part to choose which courses to take during your second and third years, there are some requirements and limitations of which you should be aware. Those requirements and limitations are as follows:

- (1) If you will be a second year student in 2009-2010, you must take Constitutional Law I during the first semester of your second year.
- (2) You must take a seminar that has a substantial writing requirement. The seminar may be taken at any point during your second or third years. Every seminar offered during the fall semester and every seminar offered during the spring semester will satisfy the requirement. Most seminars are limited to 12 students and lotteries are conducted every spring ***for all of the seminars*** to be offered the following year.

No seminars are offered in the summer. Psycholegal Research does not satisfy the seminar requirement except when taken by a student enrolled in the Law/Psychology joint degree program.

Research in a Selected Field does not satisfy the seminar requirement unless (a) taken by a student during his/her last semester at the College of Law; (b) all seminars offered that semester are full; ***and*** (c) the student has received permission from Associate Dean Pierce.

- (3) You must take a course in Professional Responsibility. Legal Profession meets this requirement and will be offered in the fall and spring semesters.

The Multi-State Professional Responsibility Examination (MPRE) is required for bar admission in Nebraska and a number of other states. Since the MPRE requirements vary from one jurisdiction to another, you should check with the board(s) of bar examiners in each jurisdiction to which you intend to apply.

The MPRE is given three times a year - March, August, and November. You can take the MPRE either before or after you take Legal Profession.

- (4) You must take an upper level professional skills course in order to graduate. The courses that meet this requirement are:

Advanced Legal Research
 Advanced Trial Advocacy
 Appellate Advocacy
 Business Planning
 Client Interviewing & Counseling
 Clinical Practice - Civil
 Clinical Practice - Criminal
 Construction Practice
 Externships (if approved by Dean Willborn)
 Family Law Practice
 Mediation
 Negotiations
 Pretrial Litigation
 Trial Advocacy

- (5) Unless a student is enrolled in a joint degree program, a student may not receive more than 12 hours of total credit from courses in Externship, Research in a Selected Field, and non-law school courses.

Clinical Courses

Under the Nebraska Supreme Court's Senior Practice Rule, only those students with senior standing are eligible to enroll in Civil Clinic. Senior standing is achieved upon satisfactory completion of 60 credit hours.

Civil Clinic –

- Enrollment limited to 12 students, selected by lottery
- Prerequisite - Pretrial Litigation
- Preference will be given to students registered in the Litigation Skills Program of Concentrated Study and

who have taken Trial Advocacy

- Must register for either 4 or 6 credit hours (2 or 3 credit hours each session)

If you are selected in the lottery drawing, it is considered an *irrevocable commitment* on your part to register in the course. Absolutely NO drops are allowed from a clinical course. This rule is different from other lottery classes.

If you want to participate in any of the following clinics, you must fill out the Clinic Employment History Questionnaire and return it to Kevin Ruser by March 20, 2009:

Summer 2009 Civil Clinic
 Fall 2009 Civil Clinic
 Fall 2009 Criminal Clinic
 Spring 2010 Civil Clinic
 Spring 2010 Criminal Clinic

The lotteries for all of the above clinics will be conducted in April when the rest of the lotteries for fall classes and the lotteries for fall and spring seminars are conducted.

Although students visiting from other law schools are eligible to take the Civil Clinic or Criminal Clinic, absolute priority will be given to students currently enrolled in the College of Law. Students from other law schools interested in taking Civil or Criminal Clinic must have met the prerequisites for the Clinics.

Non-College of Law Courses

All law school work must be done in residence.

Courses may be completed at other ABA-approved law schools with the approval of the Dean or his or her designee, and credit will be given for those courses in which a grade of "4", or its equivalent at the law school attended, is received. Grades received in such courses will not be computed as part of the student's law school average for purposes of determining class standing, graduation with distinction, or eligibility for Order of the Coif.

This rule applies to graduate level courses, graduate level distance education courses that satisfy the requirements of ABA Standard 306(c), and upper-level

law distance education courses that satisfy the requirements of ABA Standard 306(c) and that are offered by other ABA-approved law schools. A student may take three credit hours of such courses if the student receives approval from the faculty members of the Curriculum Committee upon a showing that (a) the courses will further the student's legal education, and (b) the courses will not duplicate courses available in the Law College. Before taking more than three credit hours of such courses, the student must also obtain the prior approval of the Dean or his or her designee. To take more than six credit hours of such courses, the student must show compelling circumstances and obtain the approval of the full faculty.

Except as part of an approved joint-degree program, a student may not receive credit for more than twelve hours of graduate level courses outside the Law College. A student may not take more than four credit hours of distance education courses per semester and may not receive credit for more than a total of twelve credit hours of distance education courses. Subject to the limitation set out above, credit toward the J.D. will be given for those courses in which a grade of "B" or above is received and for law courses in which a grade of "4", or its equivalent at the other law school offering the course, is received. Grades received in these courses will not be computed as part of the student's law school average for purposes of determining class standing, graduation with distinction, or eligibility for Order of Coif.

Students interested in taking a graduate level course for Law College credit must complete a request form which, among other things, requires the student to demonstrate that the course will further the student's legal education and will not duplicate courses available at the College of Law. Request forms for the fall semester are available from Vicki Lill in the Dean's office. Completed request forms must be received by Vicki no later than April 20, 2009.

Tuition and Fees

Tuition and fees for the 2009 summer sessions are as follows:

Tuition:

- \$250.50 per credit hour (residents)
- \$671.50 per credit hour (nonresidents)

University Fees:

- \$45.17 for the pre-session for students taking 1-3 credit hours during the session, or,
- \$75.26 for each of the five week sessions (for students taking 1-3 credit hours during the session), or
- \$87.14 for students taking 4-7 credit hours during the session

There is a \$20.00 registration fee for the first summer session of enrollment.

The tuition stated above is subject to change by the Board of Regents. The University Fees stated above do not include University Health Center. Any student registered for more than four hours in one single session will be assessed an additional one-time \$54.26 fee for the Health Center. When a student is charged the one-time Health Center fee, the student has access to subsidized Health Center services for the entire summer. Students enrolled for fewer than four credit hours may voluntarily pay the summer fee at the University Health Center Business Office, 1500 U Street.

No Law College Fee is assessed during the summer sessions.

Registration for a summer session course is conditioned on the student remaining in good academic standing at the College of Law. If a student who has registered for a summer class is subsequently dismissed from the College of Law because the student failed to achieve the minimum grade point average necessary to continue, the student's registration will be canceled and any tuition paid will be refunded.

Course Numbers

A number of the courses offered at the College of Law are cross-listed with other colleges and have multiple course numbers. The course number you should use is as follows:

- a. Students who are enrolled in the College of Law and who are not enrolled in any joint degree program must use the law course and call numbers.

- b. Students who are enrolled in the College of Law *and* who are also enrolled in a joint degree program must use the "G" course and call numbers for courses that count toward both degrees.
- c. Students who are enrolled in the MLS degree program must use the "G" course and call numbers. If there is no "G" course and call number, please see Vicki Lill.
- d. Graduate students who are not enrolled in the College of Law or in the MLS program may use either the non-law course and call numbers or the "G" course and call numbers. Graduate students should get permission from their college to use a "G" course and call number.

Students who are currently in their first year at the College should discuss their course selections with their faculty advisor. The College will have handouts and will sponsor a faculty panel on upperclass courses in late March.

Final Examinations

Finals will be held, beginning at 8:30 a.m., on the following dates:

- Pre-session - June 5
- First 5-Week Session - July 10-11
- Second 5-Week Session - August 13-14

Summer session exams may not be rescheduled for any reason other than the following:

- (1) you have two examinations on the same day;
- (2) you experience illness or other special circumstances beyond your control that affects your capacity to take the exam at the regularly scheduled time. Examples of "other special circumstances" include the death of an immediate family member, a car accident, birth of a child, a religious conflict with Saturday exams, and a conflict with a non-law exam.

Rescheduled exams must be taken after the regularly scheduled exam. A student seeking to reschedule an exam must contact Associate Dean Pierce before the exam.

SOME THINGS WORTH KNOWING

Incompletes

If you receive an Incomplete in any course you take other than Psycholegal Research, the Incomplete must be removed within one year. Otherwise, the Incomplete will automatically be replaced with a failing grade ("0").

The Future

We do not yet have a list of the courses that will be offered during the Fall 2009 and Spring 2010 semesters. With the exception of Advanced Torts, the classes offered this summer will most likely be offered during the 2009-2010 academic year. We currently anticipate that fall pre-registration packets will be available in early April.

Financial Aid

If you are interested in applying for summer financial aid (work-study and/or loans), you should complete a summer financial aid application on-line (www.unl.edu/scholfa) **as soon as possible**. You must take at least 6 hours to be eligible for summer financial aid. The hours do not have to be in consecutive sessions.

Graduate Students at the University of Nebraska

Graduate students may take courses at the College of Law but only with the prior permission of their advisor and the Law College instructor and the Associate Dean. The permission forms are available from Vicki Lill. Registration in Law College courses will only be processed once permission forms are returned to Vicki and an override is requested.

Registration Procedures

You may enroll on-line using WAM on a first-come first-served basis with no class priority. Summer registration begins March 9 and is continuous until the Friday prior to the start of classes for each session. Instructions on how to use eNRoll (the web registration system), are on the last page of this packet. Any initial registration or reinstatement of a cancelled registration after classes begin will be

subject to a \$25 late registration fee.

eNRoll Access Hours

(For registration and drop/add)

- Monday through Saturday – 7:00 a.m. to 12 midnight
- Sunday – 2:00 p.m. to 12:00 midnight

Registration Periods

- Pre-Session – March 9 - May 17
- First Five-week Session – March 9 - June 7

Personal Identification Number (PIN)

In order to ensure the security of your academic information, you must use your student identification number (social security number) along with a personal identification number (PIN) to access any function in the system. *If you misplace or forget your PIN, or for some reason were not assigned a PIN, you must contact the Records Office, Service Counter 107D, Canfield Administration Building, (402) 472-3681. We do not have your PIN numbers.*

You will use the same PIN each semester and summer session until you graduate.

Registration Holds

Students with registration "holds" will not be permitted to initially register or add courses (including drop/add schedule changes) until these holds are released. Registration "holds," incurred for academic or financial reasons, are placed on your record to prevent registration for classes. The holds must be cleared by the University agency or department placing the block prior to registration and you must present the Release Form from the agency or department to Student Judicial Affairs, 125 Canfield Administration Building.

Closed Courses During Registration Time Conflicts

You cannot register for a closed course on eNRoll. If you are informed that a course is full, please contact Vicki Lill. Also, you cannot register for two courses that meet at the same time or have overlapping meeting times.

Prerequisites and Co-Requisites

You are responsible for ensuring that you meet requirements for any particular course. Ignoring course prerequisites/co-requisites can result in serious financial and academic consequences. If you do not qualify for a course in which you enroll, you may be required to drop it or you may be administratively dropped from the course.

Students with Disabilities

Students with disabilities who would like assistance with touch-tone registration should contact Vicki Lill.

Registration Tampering

A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping and adding classes, will be subject to disciplinary action.

Before you log onto WAM

- Identify the courses from this packet that you wish to take.
- Be sure to have available your Student Identification Number (your NU ID), the call numbers for courses that you plan to request, and your PIN.
- Make sure you include credit hours for courses that are offered for a variable number of credits (i.e., Civil Clinic, Externship, and Research In A Selected Field).
- Clear any registration holds. If you have any holds, you will be denied access to eNRoll to initially register or add courses.
- Note the registration dates for each of the summer sessions. Registration is on a first-come, first-served basis for all summer sessions. Initial registration after classes begin for a session will result in a \$25.00 late registration fee.

Students who do not pay by the payment deadline **WILL NOT BE CANCELLED**, but will incur a \$20 late payment charge each month and will have a block placed on their records. These students will be sent a follow-up notice with a new payment deadline date. If the account is not made current by the new deadline date, additional late charges will be assessed and the early registrations for any summer sessions or terms which begin after that date will be subject to cancellation.

If your plans change and you decide not to attend summer session classes after you register, you must drop your courses or cancel your registration, or you will continue to be billed for full tuition, fees and late charges. Please see the section on Drop/Add/Withdrawals for further information.

Late Registration

It is to your advantage to register early and pay tuition and fees by the deadline date. Students who choose to register during the late registration period will be charged a late fee of \$25.00. The late registration periods are:

- Pre-session: May 18
- First 5-Week Session: June 8
- Second 5-Week Session: July 13

Payment of Obligations

Failure by the student to pay any financial obligation or meet any other obligation owed to the College of Law or to the University or to any department, division, or agency thereof, will result in denial of readmission, denial of transcripts, denial of

registration for ensuing terms, withholding of diplomas and denial of grade reports until the debt is paid in full.

Change of Address Forms

If your local, permanent, or parents' address has changed since you entered the University or last submitted a Change of Address form to the Dean's Office, you must fill out a Change of Address form. These forms are available in the rack outside of the Dean's Office. Please return the form to Vicki Lill so that we can change the records.

Drop / Add / Withdrawals

Students who wish to drop or add a course from their schedule may continue to do so through [eNRoll](#) through the following dates without permission:

Pre-session: May 22
 First Five Week Session: June 12
 Second Five Week Session: July 17

The effective date of a drop or add for tuition and grade purposes is the date on which the transaction is performed on the telephone or web registration system. For those transactions performed in person, the effective date is the date on which the drop/add form is filed.

Students who drop courses may be entitled to refunds of tuition and University Program and Facilities Fees (UPFF). If you drop a course during the first two class days of the pre-session or the first three class days of either five week session, you will not be charged any tuition for the course you drop, and the tuition you paid for the course will be refunded to you. But if you **withdraw** from the session during this period (*i.e.*, drop all of the courses for which you registered in the session), your refund will be the amount of tuition and fees you paid minus \$40.

The following percentages of tuition will be refunded to you if you drop a course after the first two class days of the pre-session or after the first three class days of either five week session.

Pre-session – 50% if the course is dropped through Friday of the first week; and none thereafter.

Five-week Sessions – 60% if the course is dropped

through Friday of the first week; 20% if the course is dropped through Friday of the second week; and none thereafter.

Late Drops (Grade of "W")

Drops may **not** be performed during the late drop period. All such drops must be performed in person at the Law College. For summer sessions, the deadline to drop a class or withdraw from all classes for a session are (grade of "W"):

Pre-session: June 3
 First Five Week Session: July 1
 Second Five Week Session: August 5

During the Late Drop Period, you can only drop a course with the permission of both the Instructor and the Associate Dean. eNroll – UNL Online Registration

eNroll is UNL's course registration system that utilizes a standard web browser to access your records. eNroll is integrated into the What About Me (WAM) home page menu. Using the facilities of eNroll you can register, drop and add courses, see a listing of your current classes, change grading options and change the number of credit hours in a variable credit class. Through WAM you can look at grades received during a previous term, review your financial aid information, check your current address listing, and update your e-mail address.

To Access WAM

1. Go to wam.unl.edu
2. Enter your Student ID Number (or SSN) and PIN in the boxes provided and then click the Login button.

This will give you access to the WAM Menu Screen.

To Access eNroll

1. Under *My Registration*, click on the eNroll menu item.
2. Choose the term you wish to access using the drop-down box and then click the Submit button.

You will then be presented with the eNroll Transaction Screen. This screen is divided into three main parts.

1. *Current Registration* shows courses in which you are currently enrolled and allows you to drop classes or change grading options.
 - To DROP a class, click on the check box labeled "Drop" for each class you wish to drop and press the Submit button to record the request.
 - To CHANGE the grading status of a class (Grade or Pass/No Pass), click the drop-down box labeled "Grade Type", choose the option you prefer and press the Submit button to record the request. If no option is provided, that means the grading system for the class is fixed.
2. *Add Courses Here* allows you to enter the 4-digit call number(s) of the classes you want to add to your schedule. A maximum of 8 call numbers can be entered at one time. After clicking the Submit button, the results will be displayed in the *Current Registration* area if successful. If you are requesting a variable credit hour class, you must specify the number of credit hours you desire. All portions of a class (lecture, recitation and/or lab) must be requested at the same time to complete a registration.
3. *Your Current Student Schedule* is normally viewed by scrolling down the window of your browser using the bar or arrows on the right side of the window. This area will display your current registration including the times and meeting places for all of your classes.
