Students who do not pay by the payment deadline WILL NOT BE CANCELLED, but will incur a $20 late payment charge each month. Blocks will be placed on delinquent accounts and on the records of students with delinquent accounts.*
General Instructions & Information

All courses offered at the Law College during the summer sessions, except Externship, Civil Clinic, Entrepreneurship Clinic and Research in a Selected Field, are 3 credit hour courses. Externship may be taken for 1-3 credit hours. Civil Clinic may be taken for 4 or 6 credit hours. Criminal Clinic is a 6 credit hour course. Research in a Selected Field may be taken for 1-3 credit hours. Under the rules and regulations of the College of Law, you may not take more than 3 hours during the pre-session, 6 hours during the first five-week session, and 6 hours during the second five-week session. Summer courses are very intensive; the same amount of material that would be covered in 14 weeks during either the fall or spring semester will be covered in 5 weeks, or, in the case of the pre-session, 3 weeks.

No courses taught at the College of Law may be taken pass/fail except Externship.

Graduation Requirements

In order to graduate, a student must satisfactorily complete 93 credit hours. It is possible for a student to graduate in 2 ½ years by attending summer school after his or her first or second year of law school or both. A student cannot graduate any earlier than 2 ½ years after starting law school at the College of Law.

Students who graduate early are responsible for six semesters of the Law College Fee. The sixth semester fee will be billed to you in your last semester at the Law College.

Transfer students must complete at least 45 graded hours at the College of Law and have a 7.000 gpa to be eligible for a degree with distinction.

Summer Semester Credit Hour Limitations

Under the rules and regulations of the College of Law, you may not take more than 3 hours during the pre-session, 6 hours during the first five-week session, and 6 hours during the second five-week session.

You are not eligible for student loans if you take less than 6 credit hours.

Fall and Spring Semester Credit Hour Limitations

All students are expected to attend the Law College full-time and take 12-15 hours a semester. All students must attend at least five academic year semesters and take at least 12 hours in each of those semesters.

Students may not take more than 20% of the total hours required for the JD degree in any semester.

You must receive permission* from Dean Pearce if you plan to take:

1] more than 5 courses in a semester, or
2] over 16 credit hours

* Permission will not be granted [1] if you are on academic probation or [2] if your GPA is not at least a 5.000. Permission cards are available in the Registrar's Office.
If you have received permission to take fewer than 12 hours, your loans processed through the University will be reduced because you will be paying less tuition. If you have a scholarship and have received permission to take fewer than 12 hours, you need to contact the law college financial aid office (Beki Colberg in Room 106) before the semester begins to keep the scholarship from being cancelled. You are not eligible for student loans if you take less than 6 credit hours.

Attendance Requirements

All students are required to attend classes regularly and to prepare all assigned work thoroughly. Inadequate class attendance or preparation may result in the student being dropped from the course or may adversely affect the final grade the student receives in the course.

Required Courses

Although you are free for the most part to choose which courses to take during your second and third years, there are some requirements and limitations of which you should be aware. Those requirements and limitations are as follows:

1. If you will be a second year student in 2016-2017, you must take Constitutional Law I. This course is being offered during both the summer 2016 semester and the fall 2016 semester.

2. You must take a seminar that has a substantial writing requirement. The seminar may be taken at any point during your second or third years. Every seminar offered during the fall and spring semesters will satisfy the requirement. Most seminars are limited to 12 students and lotteries are conducted once a year, in the spring semester, for all of the seminars to be offered the following year.

   No seminars are offered in the summer. Psycholegal Research does not satisfy the seminar requirement except when taken by a student enrolled in the Law/Psychology joint degree program.

   Research in a Selected Field does not satisfy the seminar requirement unless (a) taken by a student during his/her last semester at the College of Law; (b) all seminars offered that semester are full; and (c) the student has received permission from Assistant Dean Pearce.

3. You must take a course in Professional Responsibility. Legal Profession meets this requirement and will be offered in the fall and spring semesters.

   The Multi-State Professional Responsibility Examination (MPRE) is required for bar admission in Nebraska and most other states. Since the MPRE requirements vary from one jurisdiction to another, you should check with the board(s) of bar examiners in each jurisdiction to which you intend to apply.

   The MPRE is given three times a year, typically in March, August, and November. You can take the MPRE either before or after you take Legal Profession.
(4) You must take an upper level professional skills course in order to graduate. The courses that meet this requirement are:

- Advanced Legal Research
- Advanced Trial Advocacy
- Advocacy in Mediation
- Appellate Advocacy
- Business Planning
- Client Interviewing & Counseling
- Clinical Practice - Civil
- Clinical Practice - Criminal
- Clinical Practice - Entrepreneurship
- Clinical Practice - Immigration
- Construction Practice
- Estate Planning Problems
- Externship (if approved by the Dean)
- Family Law Practice
- Litigation Capstone: Labor/Employment Focus
- Mediation
- Negotiations
- Pretrial Litigation
- Trial Advocacy

(5) Unless a student is enrolled in a joint degree program, a student may not receive more than 12 hours of total credit from courses in Externship, Research in a Selected Field, and non-law school courses.

**Clinical Courses**

Under the Nebraska Supreme Court's Senior Practice Rule, only those students with senior standing are eligible to enroll in Civil Clinic. Senior standing is achieved upon satisfactory completion of 60 credit hours.

Civil Clinic –
- Enrollment limited to 12 students, selected by lottery
- Pre- or Co-requisite - Pretrial Litigation
- Preference will be given to students registered in the Litigation Skills Program of Concentrated Study and who have taken Trial Advocacy
- Must register for either 4 or 6 credit hours (2 or 3 credit hours each 5-week session)

Criminal Clinic (not offered in summer 2016) –
- Enrollment limited to 8 students, selected by lottery
- Prerequisite - Trial Advocacy
- Preference will be given to students registered in the Litigation Skills Program of Concentrated Study
- Must register for 6 credit hours (3 credit hours each 5-week session)

Entrepreneurship Clinic –
- Enrollment limited to 8 students
- Prerequisite - Business Associations and Individual Income Tax
- Selection shall be based on an application process that will occur in connection with the Civil and Criminal Clinic lotteries. Please see Professor Stohs for more information.
- Must register for 4-6 credit hours (2 or 3 credit hours each 5-week session, pending faculty approval for variable credit hours)

*If you are selected to enroll in a clinic, it is considered an irrevocable commitment on your part to register in the course. Absolutely NO drops are allowed from a clinical course. This rule is different from other lottery classes.*
If you want to participate in any of the following clinics, you must fill out the Clinic Employment History Questionnaire and Clinical Application Form and return them to the Civil Clinic office by 5:00 pm on April 1:

Selection for these clinics will be conducted in April when the rest of the lotteries for fall classes and the lotteries for fall and spring seminars are conducted.

Although students visiting from other law schools are eligible to take the Civil Clinic, Criminal Clinic, or Entrepreneurship Clinic, absolute priority will be given to students currently enrolled at the College of Law. Students from other law schools interested in taking Civil, Criminal or Entrepreneurship Clinic must have met the prerequisites for the Clinics.

The tuition stated above is subject to change by the Board of Regents.

No Law College Fee is assessed during the summer sessions.

Registration for a summer session course is conditioned on the student remaining in good academic standing at the College of Law. If a student who has registered for a summer class is subsequently dismissed from the College of Law because the student failed to achieve the minimum grade point average necessary to continue, the student's registration will be cancelled and any tuition paid will be refunded.

**Course Numbers**

A number of the courses offered at the College of Law are cross-listed with other colleges and have multiple course numbers. The course number you should use is as follows:

1. Students who are enrolled in the College of Law and who are not enrolled in any joint degree program must use the law course and call numbers.

2. Students who are enrolled in the College of Law and who are also enrolled in a joint degree program must use the "G" course and call numbers for courses that count toward both degrees.

3. Students who are enrolled in the MLS degree program must use the "G" course and call numbers. If there is no "G" course and call number, please see Vicki Lill.

4. Graduate students who are not enrolled in the College of Law or in the MLS program may use either the non-law course and call numbers or the "G" course and call numbers. Graduate students should get permission from their college to use a "G" course and call number.

Students who are currently in their first year at the College should discuss their course selections with their faculty advisor. The College will have handouts and will sponsor a faculty panel on upperclass courses in late March.

**Final Examinations**

The finals schedule is on page 2 of this packet.

Summer session exams may not be rescheduled for any reason other than the following:

1. you have two examinations on the same day;

2. you experience illness or other special circumstances beyond your control that affect your capacity to take the exam at the regularly scheduled time. Examples of "other special circumstances" include the death of an immediate family member, a car accident, birth of a child, a religious conflict with Saturday exams, and a conflict with a non-law exam.

Rescheduled exams must be taken after the regularly scheduled exam. A student seeking to reschedule an exam must contact the Registrar, Vicki Lill, before the exam.
Some Things Worth Knowing

**Incompletes**

If you receive an Incomplete in any course you take other than Psycholegal Research, the Incomplete must be removed within one year. Otherwise, the Incomplete will automatically be replaced with a failing grade ("0").

**The Future**

We do not yet have a list of the courses that will be offered during the Fall 2016 and Spring 2017 semesters. With the exception of Animals and Agricultural Production and Introduction to Compliance, the classes offered this summer will most likely be offered during the 2016-2017 academic year. We currently anticipate that fall pre-registration materials will be available in late March.

**Financial Aid**

If you are interested in applying for summer financial aid (work-study and/or loans), you should complete a summer financial aid application on-line (www.unl.edu/scholfa) as soon as possible. You must take at least 6 hours to be eligible for summer financial aid. The hours do not have to be in consecutive sessions. (Financial aid will be dispersed during the session in which you have registered for your sixth hour.)

**Graduate Students at the University of Nebraska**

Graduate students may take courses at the College of Law but only with the prior permission of their advisor and the Law College instructor and the Assistant Dean. The permission forms are available from Vicki Lill. Registration in Law College courses will only be processed once permission forms are returned to Vicki and an override is requested.

**Registration Procedures**

Summer registration begins March 7 and is continuous through the Sunday prior to the start of classes for each session. You will enroll on MyRED. Any initial registration or reinstatement of a cancelled registration after classes begin will be subject to a $25 late registration fee.

**Registration Periods**

See calendar on Page 2.

**Registration Holds**

Students with registration "holds" will not be permitted to register or add courses (including drop/add schedule changes) until these holds are released. Registration "holds," incurred for academic or financial reasons, are placed on your record to prevent registration for classes. The holds must be cleared by the University agency or department placing the block prior to registration and you must present the Release Form from the agency or department to Student Judicial Affairs, 125 Canfield Administration Building.
**Closed Courses During Registration Time Conflicts**

You cannot register for a closed course in MyRED. If you are informed that a course is full, please contact Vicki Lill. Also, you cannot register for two courses that meet at the same time or have overlapping meeting times.

**Prerequisites and Co-Requisites**

You are responsible for ensuring that you meet requirements for any particular course. Ignoring course prerequisites/co-requisites can result in serious financial and academic consequences. If you do not qualify for a course in which you enroll, you may be required to drop it or you may be administratively dropped from the course.

**Registration Tampering**

A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping and adding classes, will be subject to disciplinary action.
Before you log into MyRED

- Identify the courses from this packet that you wish to take.

- Have your Student Identification Number (your NU ID), the 4- or 5-digit class number used for registration for the courses that you plan to request, and your password.

- **Verify you are enrolled for the correct number of credit hours.** Some courses default to one credit hour and it’s up to you to make the change to the correct number of credit hours. Failure to do this will lower the amount of financial aid you receive because of the total number of credit hours you are registered for.

- Clear any registration holds. If you have any holds, you will be denied enrollment access in MyRED.

- Note the registration dates for each of the summer sessions. Registration is on a first-come, first-served basis for all summer sessions. Initial registration after classes begin for a session will result in a $25.00 late registration fee.

**Early Registration & Payment of Tuition and Fees**

Statements for Tuition and Fees are posted on your MyRED account on the 25th of each month. It is your responsibility to check for any new charges. Due date is the 12th of the following month. See calendar, page 2.

If you have been awarded a loan for the summer sessions you may take your statements and summer financial aid award letter to the Student Accounts Office, 124 Canfield Administration Building to arrange for a payment deferment.

Tuition and Fees Statements must be returned with full payment by the payment deadline. If paying by check or money order, payment may be made by mail. Cash payments must be made in person to a cashier at the Bursar’s, Service Counter 121, Canfield Administration Building. Visa and MasterCard may be used to pay tuition and fees.

Students who do not pay by the payment deadline WILL NOT BE CANCELLED, but will incur a $20 late payment charge each month and will have a block placed on their records. These students will be sent a follow-up notice with a new payment deadline date. If the account is not made current by the new deadline date, additional late charges will be assessed and the early registrations for any summer sessions or terms which begin after that date will be subject to cancellation.

If your plans change and you decide not to attend summer session classes after you register, you must drop your courses or cancel your registration, or you will continue to be billed for full tuition, fees and late charges. You should drop courses in MyRED. If you drop/cancel after paying your tuition and fees, you will incur a $40 minimum charge. Withdrawals from a summer session after classes have begun may be subject to a partial tuition charge. Please see the section on Drop/Add/Withdrawals for further information.
**Late Registration**

It is to your advantage to register early and pay tuition and fees by the deadline date. Students who choose to register during the late registration period will be charged a late fee of $25.00. The late registration periods are found on the summer calendar on page 2.

**Payment of Obligations**

Failure by the student to pay any financial obligation or meet any other obligation owed to the College of Law or to the University or to any department, division, or agency thereof, will result in denial of readmission, denial of transcripts, denial of registration for ensuing terms, withholding of diplomas and denial of grade reports until the debt is paid in full.

**Change of Address Forms**

If your local, permanent, or parents' address has changed since you entered the University or last submitted a Change of Address form to the Dean's Office, you must fill out a Change of Address form. These forms are available in the rack outside of the Dean's Office. Please return the form to Vicki Lill so that we can change the records, or send an email to Vicki at vicki.lill@unl.edu to request your information be updated.

**Drop / Add / Withdrawals**

Students who wish to drop or add a course from their schedule may continue to do so in MyRED. Dates can be found in the calendar on page 2.

The effective date of a drop or add for tuition and grade purposes is the date on which the transaction is in MyRED. For those transactions performed in person, the effective date is the date on which the drop/add form is filed.

Students who drop courses may be entitled to refunds of tuition and University Program and Facilities Fees (UPFF). If you drop a course during the first two class days of the pre-session or the first three class days of either five week session, you will not be charged any tuition for the course you drop, and the tuition you paid for the course will be refunded to you. But if you withdraw from the session during this period (i.e., drop all of the courses for which you registered in the session), your refund will be the amount of tuition and fees you paid minus $40.

You will need to contact Student Accounts to determine the percentage of your refund.

**Late Drops (Grade of "W")**

Drops may not be performed during the late drop period. All such drops must be performed in person at the Law College. For summer sessions, the deadline to drop a class or withdraw from all classes (grade of “W”) for a session can be found in the calendar on page 2.

During the Late Drop Period, you can only drop a course with the permission of both the Instructor and the Assistant Dean. Any courses dropped after the above stated deadlines will appear on your University
and Law College transcripts as a withdrawal ("W"). A student who wishes to be allowed to drop a course after the Late Drop Period must see Assistant Dean Pearce before the date of the final examination for the course.

**Service Fees**

♦ Processing an initial registration during the Late Registration period ($25.00)
♦ Late payment of tuition & fees ($20.00/mo.)
♦ I.D. Card replacement ($20.00)
♦ Graduation application ($25.00)
♦ Returned Check ($30.00)

<td>Provides a general overview of the structure of the federal government, including the history and judicial interpretation of the Constitution, the limited jurisdiction of the federal courts and the impact that has on the cases that they hear, federalism concerns, interstate commerce, and separation of powers. A major issue sought to be resolved is whether there is a principled answer to what questions should be decided at the federal rather than state level and what questions should be decided by the judiciary rather than the politically responsive branches. As time permits in this 3-credit course, we will also briefly consider individual rights under the Fourteenth Amendment including due process and equal protection. This class will meet Monday through Thursday only; no Friday classes.</td>

<td>This course focuses on the framework underlying the recent surge in compliance programs. The course will begin with an overview of the relationship between corporate governance, risk and compliance. The course will then identify common features of a compliance program. This course will expose students to specific regulations affecting corporate compliance, such as Sarbanes-Oxley, SEC investigations, anti-money laundering, data protection, consumer finance, anti-corruption laws (such as the Foreign Corrupt Practices Act) and health care. Throughout this course students will discuss the role of a compliance officer and the coordination and integration of counsel and other experts, such as accountants. The course will explore ethical considerations of a compliance program, such as privilege and confidentiality and the role of legal counsel versus the compliance officer, and will emphasize building a culture of compliance in an organization. This class will meet Monday through Thursday only; no Friday classes.</td>
